President's Point of View, by Jeff Grube

LIHR President's Message:

Greetings and Happy Spring 2025 L.I. Harley Riders!!

My high school math teacher would say this time of year: "Spring has sprung, the grass is riz. I wonder where all the birdies is." No joke. I googled it. It's a real thing. Anyway, he was a great teacher and I credit him for helping me do pretty good in my career. Heck, it's even gotten me to become President of an awesome motorcycle riding club!!

Onward and upward. It's been a pretty crappy first quarter of the year. It took several weeks to get our famed Polar Bear ride in the books but I feel our 2025 riding season is off and running now. We now have a handful of rides completed and many more in the queue along with a half dozen solid overnight journeys set up.

Keep in mind with the overnights, if you can't block out the time for the entire trip you can join the group part way into the trip or break from the group early to get home for other commitments. This is the case for a few members on a couple of our longer overnights this year and we're happy to have them along for whatever portion of the trip they can do.

Spring is always a time where we want to have everything in order for a safe and productive riding season. My list includes tire condition and pressures, registration and insurance up to date, service items up to date, key fob batteries, the motorcycle battery, lights operating properly, coolant (if equipped), brake pads and rotors and your riding gear. We have a proficient and safe group of riders at LIHR and the precautions above can help make our riding season safe and enjoyable.

A reminder to always keep membership in mind. It's my feeling that we are all ambassadors of LIHR and if we know a rider or two that would compliment our club we should try to get them onboard or at least check us out at a monthly meeting. We have acquired many new members over the last few years that have been terrific additions to the club. A few more would be welcome.

Stay safe riding this season whether it's out with a couple of friends, the MABEL riders or the whole group. We're fortunate to have an awesome group of folks in LIHR. Let's have some fun!!

See you on the road.....

Jeff

Greeting's HARLEY RIDERS

LIHR Lunch!

Great turnout for our first get together of the new year, a lunch date in lieu of our ride!

Message from HRC Chris K:

It's been a frustrating winter riding season so far as the weather gods have been against us since the Sagamore ride back in November. With another cancelled ride looming, it seemed like a good idea to get together for lunch instead.

On Sunday, twenty members and one guest met up at Smokey Bones in Ronkonkoma to enjoy a hot meal and some good conversation. It was fun catching up and finding out how everyone enjoyed their holidays.

Let's see if Sunday, January 19th will be a better forecast to ride.

Exit 56

Highlights from Sunday's Membership Meeting 1/26/25

Jeff welcomed returning member Anthony C. who rides a Road Glide and lives in Huntington. Jeff commented that looking at our newsletter on the Club's website really shows how many activities and the great times the membership enjoys with our Club.

Kelly updated the membership on the 2024 Holiday Party and plans for this year's party. Kelly reminded everyone that our annual Chili Contest will be held at our February 23rd membership meeting, and to please contact her if you will be competing in the contest.

John Cap. spoke about some safety concerns including not overloading your bike, tire inflation, and to be very wary of road conditions. John advised that he hopes to have the dates for this year's skill practice within two weeks.

HRC Chris K. updated our Y.T.D. mileage: "No Rides = No Mileage". Chris has updated the February ride schedule to a ride every weekend. Chris reviewed this year's overnight trips and that Stephan is working on securing the hotel reservations. Chris will update the membership as the hotels are secured. Jeff advised that he has a very thorough ride scheduled for the Nova Scotia ride in July, and that he has extended the ride to eight days.

Congratulations and Thank You to our new Road Captain Chris R.!

Dom M. relayed to the membership how much the children of Sagamore appreciate our efforts towards them. Dom displayed the many hand-written tank you cards from the children and read two of them to the membership. Truly a wonderful feeling to be part of the Club's support for Sagamore. John H. advised that Angela's House, another group that we have begun to provide some cheer for the their

children, do accept donations, i.e. furniture, etc. and they arrange to pick your donation up.

Happy New Year

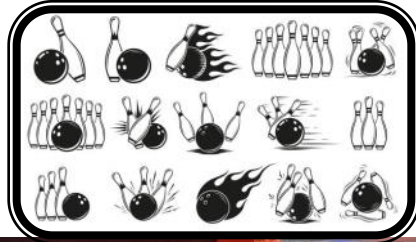

1/31/25 Bike Night

Fun night with 20 members who attended bike night, 17 were in for bowling and 3 members rooting them on and enjoying each others company and conversations; our first bike night of 2025.

There were plenty of laughs, strikes, spares and yes many gutter balls while we all enjoyed some pizza together. Thank you to Kelly and John C. for organizing the event!!

Thank you all for coming. We are working on an archery night next. Stay tuned!!!!

LOH; Ladies of Harley Night 2/21/25 - A few of our talented ladies had a great time creating various projects with outstanding results!

Great time together with so many memorable laughs!!

Summary of Sunday's Membership Meeting and Chili Contest: 2/23/25

Our February Member Meeting/Annual Chili Contest was a well-attended event despite several members and officers being out of town or under the weather. We have a few new Hogs in the pig pen as of this month but none of the new bikes were at yesterday's meeting. John & Susan both got new rides, a Road Glide Limited and a Road Glide 3 respectively. Rob U. picked up a Road Glide ST, Steve M. a Road Glide Ultra & Jeff will soon be taking delivery of a Street Glide CVO.

VP John has set up a Skills Practice for us to be held on April 12, 2025 conducted by On The Road Again. More details to follow. OTRA has discontinued training for trikes so John has contacted Big Apple Riding School who does provide that training so we will provide those dates when they become available.

We had a brief recap of bowling night and reminded the attendees that we have movie night coming up this Friday, 2/28/25 at Donna Drake's studio in Melville. Doors open at 6:30 pm and the movie starts at 7:30 sharp. Movie title TBD.

We also discussed that our St. Patrick's Day celebration will follow the March Member Meeting on March 23, 2025. Please contact Kelly with any tasty dishes you can provide.

RC Sal filled in for ailing HRC Chris and provided info on upcoming rides and a preview of our six overnights for 2025. All members are encouraged to RSVP in the Members Only of the website for any of the overnights you plan to attend. Webmaster Rod has put up an amazing preview of the Nova Scotia ride coming up in July. Check it out!!

John H. gave us details and numbers of members currently renewed for 2025. The numbers are looking good and we expect more renewals in the near future. All members are encouraged to spread the word about our club and potentially bring in a few more members.

Susan H provided some fun details on LOH's recent event to AR Workshop in Patchogue. The ladies were challenged creating their projects and enjoyed the experience.

The LIHR new texting service was discussed and the general consensus was very positive. The member roster was recently expanded so we can include all members, full and associate. A few members stated that they haven't seen any texts yet and this will be looked into. It is suggested that you add LIHR Caller ID as a contact in your phones. The local number texts are generated from is (631) 503-0870.

The February 50/50 winners were Regina P. for 1st Place and Bob L. for second place.

Ride review:

Following the February member meeting RC Jeff lead 5 bikes and 5 members on a local loop back to the VFW for our Chili Contest. Sunday's morning temperatures hovered around 30 degrees so the low bike count was no surprise. By time the meeting wrapped up temperatures had moderated nicely and the ride was enjoyable. The roads were a little choppy in spots but not bad although some roads looked a bit like a powdered donut due to salt. It was great to get out on the bikes after what's been a crappy winter.

February's Monthly Meeting 2/23/25

Bike Movie Night at Donna Drake's Studio; Film - Wolfs 2/28/25

20 members enjoyed the movie starring Brad Pitt and George Clooney. There were plenty of snacks and pizza for everyone.

Thank you Donna D. for the pizza and the use of your awesome studio.

A special Thank you to the AV guy Chris R. for queuing up the movie; he was definitely the kid in the class who got to go to the AV room to get the film projector.

Movie Night 2/28/25

First Ride of the year Polar Bear Ride: 3/1/25

Have you ever seen a Polar Bear sweat?

Okay, maybe it wasn't that warm, but on Saturday March 1 (14 weeks since the last club ride) HRC Chris led 15 members riding 12 bikes on the annual LIHR Polar Bear Ride. With temps in the 50's it was a beautiful day to ride. Leaving from exit 56 the group headed West on the LIE and blew the dust off the bikes before getting to the backroads. Leaving the LIE we headed through Melville up towards Syosset. Traffic was light and the lights were in our favor as we travelled up and around the Gold Coast communities of the North Shore. Riding through towns like Matinecock, Muttontown, Brookville and more, there were beautiful winding roads that lead past

magnificent mansions. We rode past scenic lakes and along Oyster Bay Harbor before arriving for lunch at

Teddy's Bully Bar in Oyster Bay. It felt great to be able to sit down and enjoy good food and conversation and to discuss the days ride.

Hopefully the weather has turned for the better as we look forward to another exciting riding season.

Come join us next week as RC Chris leads the group to the Firehouse Restaurant in Sound Beach.

Sunday's Ride Summary, 3/9/25

We had a great turnout for today's ride, after making the decision to postpone the ride an hour to allow temperatures to rise a bit and make the ride a little more comfortable for the 17 Bikes and 21 members who showed up for what turned out to be a really nice day.

We headed East on 495 to exit 65 to Bellport Rd. where we went North thru some nice roads to 25 West, a short distance to Sweezy Ln. and North to Whiskey Rd. then East to Ridge Rd. heading North where we crossed over 25A to N. Country Rd. then headed East thru Wading River and past Wildwood State Park to Edwards Ave. thru Calverton down to River Rd. looping our way back up to 25A to make our way west to Sound Beach for a nice lunch at the Firehouse Restaurant where they were ready for our group and served us with a smile. I would like to thank everyone for their cooperation and help in making this another successful LIHR ride.

I would also like to thank RC Sal for sweeping and HRC Chris for the assist as well as Maria and Regina for always getting the best pictures to document the rides! RC Chris R.

3/9/25's
Ride

3/16/25's Ride on Sunday March 16, RC Sal led 20 members on 16 bikes for a North Shore ride, leaving from exit 56 and ending at the Port Jeff Lobster House. The skies were grey but the weather was improving as the group headed out through Commack and East Northport on the way to the North Shore. We rode through Sunken Meadow and Nissequogue River State Parks enjoying the views (including a majestic Bald Eagle). We rode along the Nissequogue River and around Stony Brook Harbor before heading up to Old Field for a photo op at the Old Field Lighthouse. Always with an eye out for potential new members, we convinced a young man to join us for our picture and see what it feels like to fire up a Harley. It's a long-term play (he was probably about 4 years old) but you never know! Following the photo break, most of us shed a layer or two before the last leg of the ride to Port Jeff. We were joined for lunch by four additional members who could not make the ride, making for quite a lunch group. Thanks Sal for setting up and leading another wonderful day on the road with LIHR.

Sunday, 3/23/25 Monthly Meeting

Highlights from the March 23rd's Membership Meeting

Pres. Jeff welcomed member Brian Haensly who played classic Irish music on his Bag Pipes! What a great way to start our meeting.

Jeff welcomed new member Dennis Lenzi, and asked the membership about any new bikes: Joe G. just purchased a 2015 CVO Street Glide

Pres. Jeff took delivery of his new 2025 CVO Street Glide upgraded to a Touring model.

Steve Mitchel added a hill assist upgrade to his bike.

50-50 Winners: 1st. Place: Jerry P. 2nd Place: Gerry R.

RC Jeff lead 15 bikes and 16 members on a post meeting ride returning to the VFW for our St. Patrick's Day buffet. The ride took us through Huntington, Greenlawn, Halesite and Centerport. It was chilly but enjoyable ride with light traffic and traffic lights in our favor for the most part. Thanks to HRC Chris K and RC Chris R for helping out on the ride.

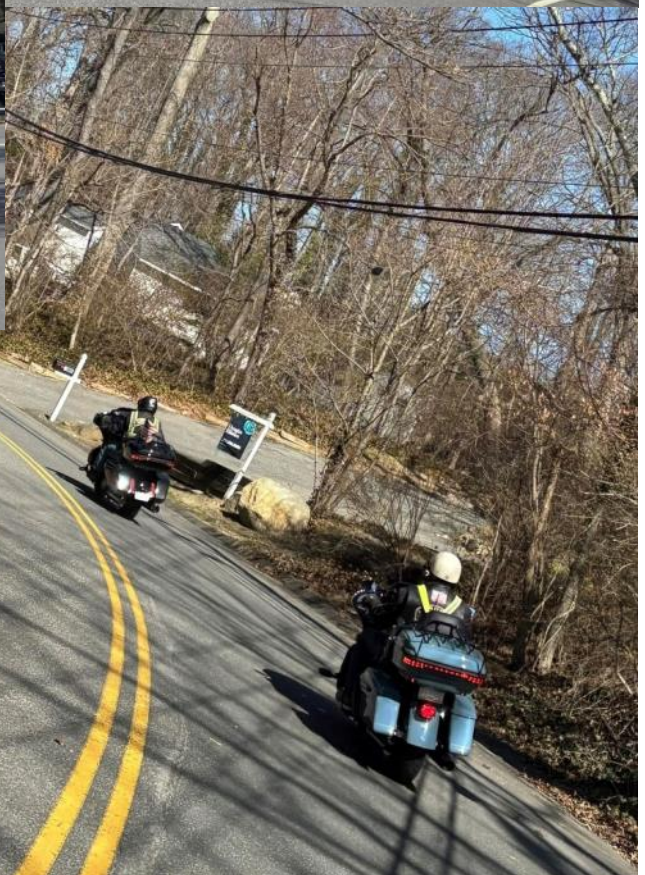

Activities Chairperson Kelly thanked everyone for their fantastic food choices for the membership after our meeting ride. What a feast!

Bike Night 3/28/25 NY Axe

Our axe throwing bike night was right on target with 11 members showing off their skills. Annette and John were the big winners due to Joe I. not being there, lol. Annette did not disappoint with her star throwing capabilities. Thank goodness Mike Sweeney, the sole rider made it home before the rain started. Then eight members scurried across the parking lot for a nice meal at Texas Road House. Thank you all who came out, It was a fun night.

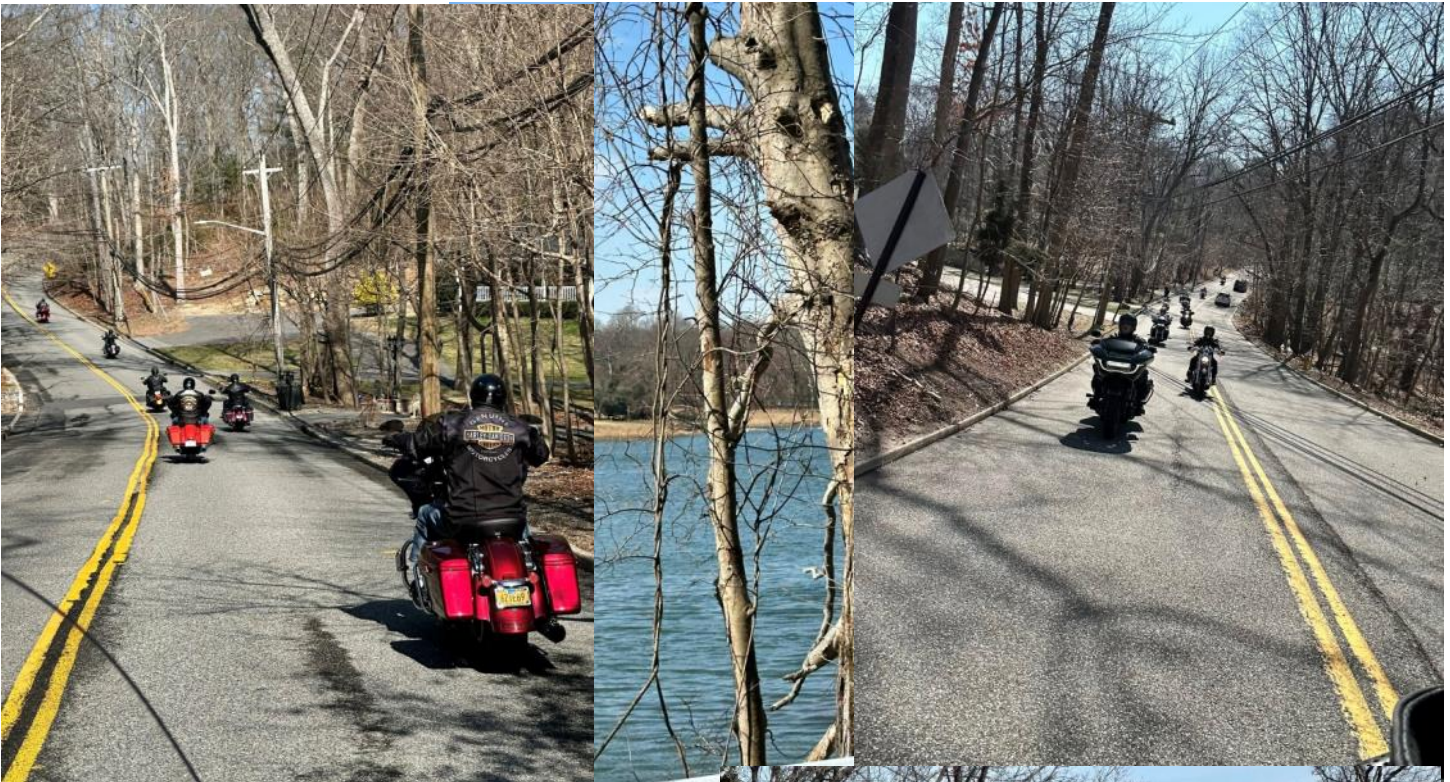

3/29/25's Ride:

With poor weather again forecast for last Sunday, RC Gary asked to move the ride to Saturday, March 29. What a great move as the temperature during the day soared to almost 70 degrees! Before we had a chance to get rolling we had a call for assistance from one of our members so we dispatched two bikes to go and help out. The rest of the group (all total 19 bikes) headed out with the expectation that the three bikes would join us en route once the issue was resolved. We headed out towards the North Shore riding up along the Nissequogue River towards Stony Brook, always a beautiful ride. Spotted another Bald Eagle (can't get enough of those majestic birds) as we followed the river. We headed up to Long Beach Town Park in Stony Brook on the water. We stopped and took a few pictures, shed the outer layers as the day warmed up and waited for our member in need and the support team. Following our respite by the water we headed down towards the South Shore before turning back West and then North towards East Northport. We ended our ride at Changing Times Tavern where we were met by another of our members for a delightful lunch.

Thanks to RC Gary for setting up another wonderful day on the roads with the LI Harley Riders. A special thank you to RC's Jeff and Chris R. for taking the time to help one of our own to get out and enjoy the day with the rest of the group.

SAFETY TIPS FOR SHARING THE ROAD

FOR DRIVERS

- REMEMBER THAT MOTORCYCLES CAN BE EASY TO MISS.
- DRIVERS MUST ALWAYS BE AWARE OF THEIR SURROUNDINGS. REMEMBER: CHECK TWICE, SAVE A LIFE.

FOR RIDERS

- DON'T ASSUME YOU ARE VISIBLE TO A DRIVER.
- AVOID RIDING IN A DRIVER'S BLIND SPOT, AND ALWAYS SIGNAL BEFORE MAKING A MOVE.
- NEVER WEAVE BETWEEN LANES.

Tips for Drivers to Keep Motorcycle Riders Safe

- Look out for bikers when making left turns in intersections
- Carefully check your blind spots for motorcycles
- Maintain a longer following distance for a motorcycle than a car
- Avoid all distractions while driving

Applications available online NOW!

or send an email to our Membership
Officer at
Membership@LIHarleyRiders.com to
request one.

NEW MEMBERS WELCOMED!

Do you have a **ROAD WARRIORS** story to tell, about a special bike ride or trip you've taken or a cool product you've used?

I would love to publish it. Send to or contact Maria. I will interview you as well if preferred.

Please send your stories and photos to: Editor@LIHarleyRiders.com or text me @ 631-394-9144 for help.

Say Cheese!

Attending your first meeting? Be sure to let us know where you're from and what you ride. Welcome to the Family!

After the meeting, our Charter Photographer will take your photo!
